Foreword

PEFC (Programme for the Endorsement of Forest Certification schemes) is an international organisation, and TFCC (Thailand Forest Certification Council) is a national organisation, promoting sustainable forest management through Forest Management certification, Chain of Custody certification and labeling of forest based products. Products with TFCC claims and /or label deliver confidence that raw material originates from sustainably managed forest.

PEFC is reliable to the endorsement of the national organisation under the forest certification schemes with compatible to the specifications and requirements of PEFC and functional to the auditing programme and endorsement process.

In Thailand, F.T.I. (The Federation of Thai Industries) is acting on the PEFC Council's behalf as PEFC authorised body.

In terms of the organisational chart, TFCC is acting as an authorized body of both a focal point of Institute of Agro-based Industries (IAI.) and F.T.I., on behalf of PEFC Council's. TFCC has empowered by all sectoral stakeholders and establishes the sustainable forest management system for well-known in international level together with acknowledgement and implementation of the international management system.
